

BAG FRENZY with Valda and Neralie

What you will need to bring:

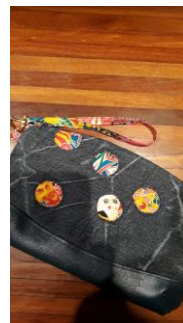

Scissors, sewing needles if you like, but we will bring plenty of pins and needles

What we are going to demonstrate:

- Making a **lined grocery bag** the same size and shape as the supermarket green bags
- Making various sized **fabric baskets** with or without handles or turn back cuffs.

- A couple of methods for making and attaching **handles** to bags
- **Applique** using heat and bond. You will have a chance to do this yourself
- **Reverse applique** using glue. Again, an opportunity to use this method yourself
- An easy way to make flower **stems** and bias wavy lines to embellish your bag
- **Websites** – more provided on the day.
